

SCHINELLA.

25 Murchison Street Mansfield Park SA

4  1  2 

This solid brick family home is set on a large corner allotment of approximately 750sqm.

With up to four bedrooms, and extra large living space, this home is in good original condition and would respond well to some updates to create the perfect family home.

Located across from parklands and adjacent new developments, the corner allotment will be of particular interest to developers.

Type : House
