Set on a large allotment in this ever-popular location, this solid brick family home presents numerous options to a variety of buyers.

Solid in construction the home offers three bedrooms, spacious lounge and kitchen/meals plus main bathroom. Plenty of scope to update to taste - paint, polish the timber floors and add value to create the ideal first home or perhaps investment property! With ducted reverse-cycle air-conditioning plus gas heating - you will be comfortable all-year round. Extensive carport plus a garage with workshop provide secure undercover vehicle space, and there is plenty of room to extend if desired.

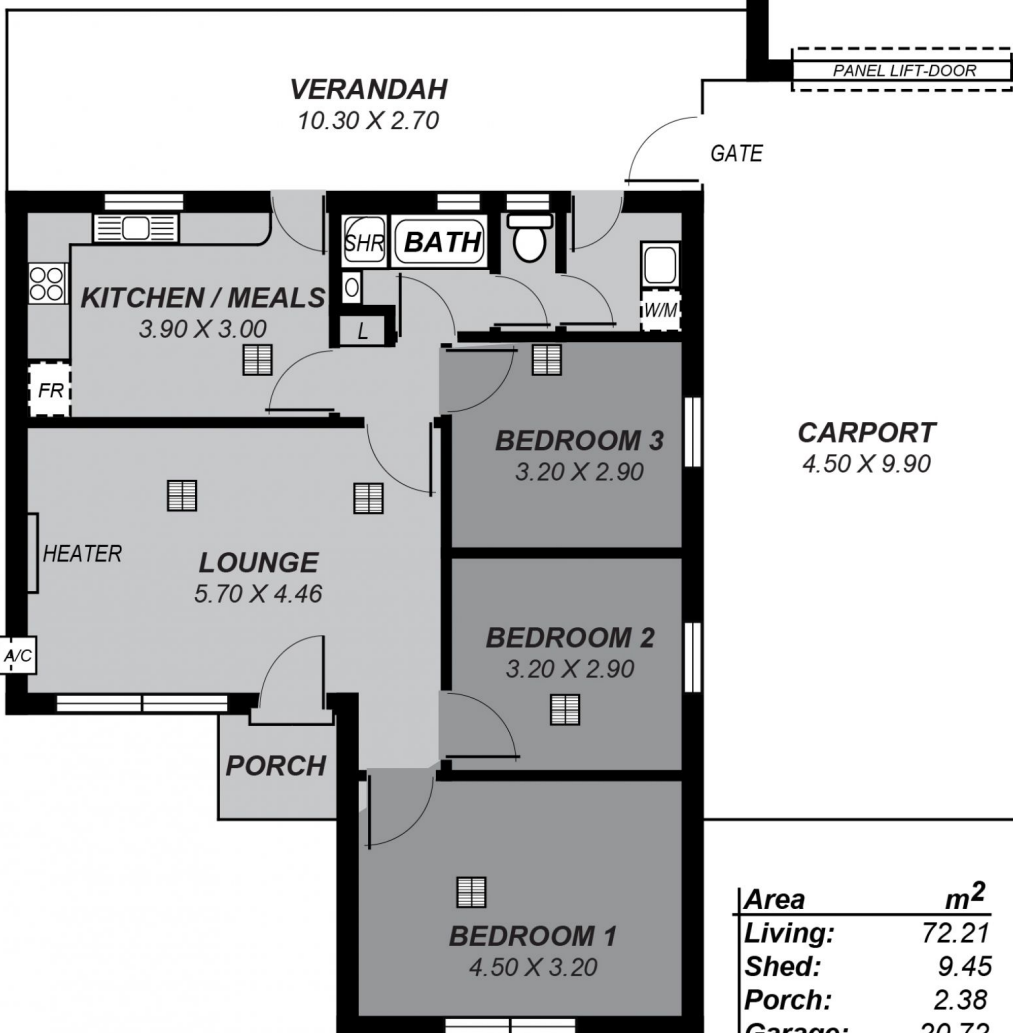

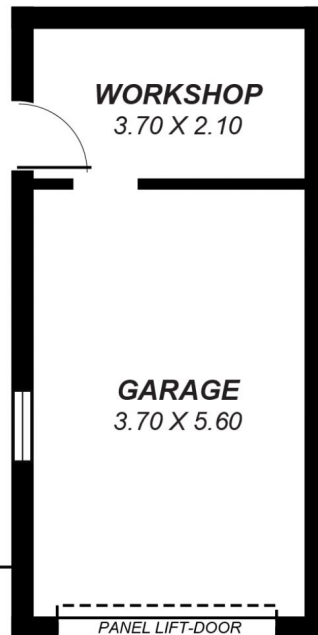

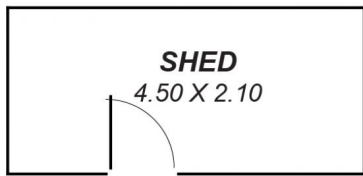

The large allotment of approximately 710sqm will be of
