

SCHINELLA.

29 Queen Street Alberton SA

3  1  2 

This stone-fronted, return verandah villa is set on an allotment of approximately 800sqm with a commanding 24-metre frontage to one of Alberton's most desirable streets. An imposing presence in this tree-lined street, this charming home offers an opportunity to update and customise to taste to create a picture perfect family home.

Offering a flexible floorplan with a grand central hallway, four bedrooms, a stately formal lounge, and kitchen and dining area. With magnificent character features throughout including pressed metal ceilings, ornate cornices and fireplaces, the options are only limited by your imagination.

In very neat condition already, the home would respond well to a coat of paint, and a polish of the timber floors to add instant equity.

Type : House

Land Size : 800 sqm
