

SCHINELLA.

2 Lily Avenue Seaton SA

3 1 1

This three-bedroom, solid brick basket range residence is set in a popular part of Seaton - surrounded by quality homes and new development. With spacious bedrooms, large living space and a formal dining room, some TLC could restore this family home to its former glory to create a great home or investment property.

The substantial corner allotment of approximately 826sqm will be of particular interest to developers - a potential multi-dwelling site (stcc) close to West Lakes Mall and a short drive to the beach.
