51 Whitmore Square Adelaide SA

3 1 1

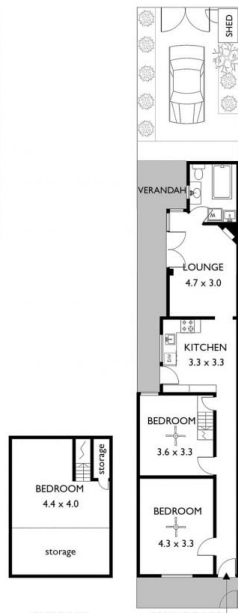

This quirky cottage oozes the charm of yesteryear maintaining its character and uniqueness.

Featuring floorboards throughout there are 2 great sized bedrooms and a fabulous large attic which could be a bedroom or study, second tv area, or just fabulous storage. Kitchen with gas cooktop & Lounge room with a cosy gas fire place for those chilly winter nights. which overlooks the Lovely courtyard area.

With the visual appeal of parkland directly opposite, a rear entry for car parking, a short stroll to the markets and work, this is a great alternative to an impersonal city apartment.
