Bring back the summer vibes with this light and airy 2022 built Torrens Titled courtyard home, filled with contemporary creature comforts and coastal flair.

Ideal for first home buyers, families looking for an upgrade in size, quality, and space for the kids to roam, or downsizers seeking a carefree modern home without compromising on the backyard area.

The rise of building costs & uncertainty over final completion dates further highlight this home as the easy 'turn-key' solution.

Much loved features of the home:
-Open plan kitchen / living / dining with a coastal décor.
