It is our pleasure to present this charming and impressive home to the market for the first time in over 30 years. This cherished family home holds a lifetime of memories for its proud owners.

The original home is circa 1925 and will show you an exciting lesson in how to elevate an original bungalow into something quite spectacular. Meticulously renovated in 2020, along with an extension that was expertly designed and perfectly executed.

This amazing home is a mixture of style and functionality. Quality fixtures and fittings have been carefully and thoughtfully selected throughout.
